WORK HISTORY **UNIVERSITY ASSISTANT, COLLEGE OF THE ARTS TECHNOLOGY SUPPORT, ATLANTA, GA**

From August 2018 – May 2019

Recorded technical issues professors and faculty had and aided my seniors on in-person visits. Successfully transferred data from a task management software to a ticket management software. As a result, COTA Tech was able to have a safe place to keep the receipts of all the tasks they've done from August 2017 – May 2019. Provided technical support on in-person visits to ensure that all the technology (computers, audio/visual equipment, etc.) in the Georgia State College of the Arts was working as expected.
